## OBJECTIVE

Motivated professional transitioning into software development with a strong foundation in HTML, CSS, and JavaScript. Passionate about building user-focused solutions and continuously expanding technical skills. Seeking an entry-level software developer role where I can contribute to real-world projects, grow within a collaborative team, and bring a fresh perspective from a non-traditional background. For more information, please check out my portfolio at <https://github.com/SarahBorgelt?tab=repositories>.
